Application Form for Concession in Treatment Charges

Vadodara Jilla Sarvodaya Mandal is a registered charitable trust with various activities aimed at sustainable development of the society. The activities of the trust are inspired by ideologies of Mahatma Gandhi & Acharya Vinoba Bhave. Nisargopachar Kendra, a Naturopathy Centre managed by the trust, is working for holistic management of health. For many patients suffering from chronic ailments, it becomes important for them to undergo the treatment program at the Centre for recovering from the ailing condition by detoxification of body and mind and to make positive changes in their lifestyle.

As the activities of the trust are inspired by Mahatma Gandhiji, we wish to ensure that such a holistic treatment program based on Naturopathy should remain available to all the sections of the society rather than remaining restricted only to affluent class. At the same time, it is also essential that the services provided by the Kendra remains of reasonably high quality and for which the required employees receive a decent financial remuneration so that they can live respectfully in the society and the organization is run with as much financial self-reliance as possible.

In order to make our services available and affordable to all sections of the society, it is expected that those who can afford, shall pay a fair price for availing our services. At the same time, persons from economically weaker sections should be able to receive concessions in the cost of the services.
